QG50 ROBOTIC POOL CLEANER

Robotic cleaners are fully independent cleaners that relieve the load on skimmer, pump baskets and filter, reducing maintenance and saving water by reducing backwash. The AstralPool QG50 robotic cleaner is a plug and play cleaner that cleans the floor and wall of your pool.

Convenience

- Transparent window to view debris collected
- Top access filter with large handle
- Easy-to-clean filter canister
- No contact with debris

Effortless Handling

- Easy removal from the water
- Light weight
- Cleaner body only 5.5kg

Floor and Wall Cleaning

- 2.5 hour cleaning cycle
- Thoroughly cleans both floors and walls
- Front scrubbing brush

Transport and Storage Caddy

- Easily transport and store cleaner
- Easy to assemble caddy
- No tools required
